### Bible Summary

On Sunday, we learned about a time when Jesus was asleep on a boat during a bad storm. His disciples were afraid. Jesus was not because He was in control the whole time. When His disciples woke Him, He made the storm stop by the power of His words. Jesus is powerful and He cares for us. Tonight, we will learn about a Psalm that David wrote. David was a shepherd who cared for his sheep. In this Psalm, David reminds us that Jesus is our Shepherd. A sheep needs a shepherd because sheep are not very good at taking care of themselves. We are not very good and caring for ourselves either and we need Jesus to care for us, provide for us, guide us, and protect us. Jesus is the best shepherd because He knows everything about us and He knows exactly what we need. When we go through something hard or scary, like the disciples in the boat with Jesus, we don't have to be afraid because Jesus is with us and He will care for us. When we put our trust in Him, we can be confident that no matter what happens on this earth, He has a forever home for us with Him.

### Digging Deeper

Do you have a pet at home? Can pets take care of themselves or do they need someone to care for them? How do you know what a pet might need? What kinds of things do you need to do to care and provide for a pet? Can we care and provide for ourselves completely? How does Jesus care for us and provide for us?

### Bible Verse

"You are the God who performs miracles; you display your power among the peoples."

Psalm 77:14
