Passage Matthew 22:34-40

Main Point Jesus is worthy.

Application I can love Jesus.

Bible Summary

Have you ever swam in the ocean? There are a lot of animals that live in the ocean. Some are really small and some are really big! The biggest animal in the ocean is the Blue Whale. Since this is the biggest animal, the Blue Whale also has the biggest heart. The heart has a very important job to help keep all animals and people alive. When Jesus was walking on earth, there were many people who didn't believe that what He was teaching was true and many religious leaders didn't like that, so many were beginning to follow Jesus. The Pharisees were a group of religious leaders who knew the law God had given Moses and one day they asked Jesus a question. When the Pharisees asked Him what the greatest commandment was, Jesus answered them by saying the greatest commandment is to love the Lord with your whole heart, soul, and mind. All God's commandments fall under loving God. When we love God, we love others, which is what Jesus said was the second greatest commandment. When we love God, we love Him more than anything else and we desire to follow Him. God's love for us is the perfect example of how to love others. He loves us more than anyone else loves us. Jesus loves us so much, He was willing to die on the cross for each one of us.

Digging Deeper

Talk with your child about Jesus' great love for us. Remind them Jesus loves us more than anyone else loves us. It can be really hard for us to understand His love because it is so much bigger and more powerful than our love. Still we can love Him with our whole hearts by loving Him first and more than anything or anyone else.

Bible Verse

"...Love the Lord your God with all your heart and
with all your soul and with all your mind."

Matthew 22:37

Note to Parents

We are so thankful to have your child at Impact Kids! This year we will learn how God's power is on display in His creation that's all around us. We hope to see you and your family on Sundays at 9:00am, 11:00am, or 4:30pm.

If you have any questions or concerns,
