## Bible Summary

Today, as we continue on our *Mission to Eternity*, we learn about the Holy Spirit and how He can help us. After Jesus died on the cross, He rose again and walked on earth for forty days before He went back to Heaven. Before Jesus went back to Heaven, He told the disciples to stay in Jerusalem and wait for the Holy Spirit. The disciples obeyed and they were gathered together on the day of Pentecost. As they were together, they heard a sound like wind and saw what looked like fire. The Holy Spirit came and filled each of them. There were many people from many different countries in Jerusalem who loved the Lord and when they heard the sound of the rushing wind, they gathered together. The crowd of believers were able to hear the disciples each talking in different languages and the people in the crowd could understand. The Holy Spirit had empowered the disciples, who were all from the same country, to be able to speak in different languages. Still today, the Holy Spirit dwells in every believer and helps us to share the Gospel with those who do not know Jesus. Our greatest mission is to follow Jesus and to tell others about Him. As more people put their trust in Jesus, the Church grows, and one day, all believers will live together in our perfect home forever with Jesus. It can sometimes be hard to tell others about Jesus, but when we have put our trust in Jesus, we can be confident the Holy Spirit is with us and will help us to know God, know His word, and help us to share with others.
