Bible Summary

Tonight is the last night of Impact Kids, but this year we have learned more about God and seen how His power is on display through His creation that is all around us. The very first chapter of the Bible tells us how God created all things by the power of His Word. God created a perfect home for his people, but it wasn't perfect for long. Adam and Eve sinned and the perfect home was broken, but God had a plan to redeem and save. This year, we have seen God rescue and save and we have seen how His creation can remind us of His power. Jesus came to earth to redeem and save and for all to know Him. When you are outside and in His creation, you can be reminded of His power and you can tell everyone you meet all about Jesus!

Digging Deeper

Talk with your child about what they have learned at Impact Kids this year. What do they know about God? How can they be reminded of His power through His creation? Who can they tell about Jesus?

Bible Verse

"Therefore go and make disciples of all nations."

Matthew 28:19
