Bible Passage 1 Kings 18

God's Power Truth

God is powerful, wise, and worthy of our worship.

Hero Truth I Can Live Out

God is powerful and I can trust Him and praise Him!

Today's Bible Hero Adventure

Today as we continue to learn about Bible Heroes, we learn about a man named Elijah who was a prophet during a time when there was a severe drought and famine. Today, as we explore God in the Old Testament, we will see Him show His power, that only He has, when it might have seemed impossible, as we learn about a time when people thought there was more than one God.

Elijah was a prophet during a time when people worshiped false gods. King Ahab worshiped a false god named Baal. For three years, there was no rain in Israel and the people were very hungry. Elijah told Ahab to prepare a sacrifice and he would do the same. The true God would show His power by sending fire to burn it up.

The prophets of Baal cried out all day, but nothing happened. Then Elijah poured water over his sacrifice until it was soaking wet. God showed His power by sending fire that burned up the sacrifice and even the water.

God is the one true God. He is powerful and worthy of our worship!

Hero Training at Home

Go on a family walk and discuss this Bible story with your kids. How do you see God's power on display around you in His creation? How have you seen God's power in your own life? Only God would create all of creation with the power of His Word and we can trust Him and praise Him alone for all He is and all He does.

God's Power Bible Memory Verse

"Trust in the Lord with all your heart."
Proverbs 3:5
