Bible Passage 2 Kings 22-23

God's Power Truth

God is powerful, wise, and worthy of our worship.

Hero Truth I Can Live Out

God is powerful and I can trust Him and worship Him.

Today's Bible Hero Adventure

Last week we learned about King Hezekiah, who tore down idols and pointed the people of Judah to the Lord. Tonight we learn that the temple King Solomon had built was not well cared for and had begun to fall apart. When Josiah became king, he was only eight years old. Josiah loved the Lord, and as he grew older, he ordered the temple to be repaired. While the temple was being cleaned, the Book of the Law given to Moses was found. When the Law was read to Josiah, he became upset because he realized God's law was not being followed. Josiah knew that God's law is truth and must be obeyed. He gathered all the people and had the Law read to them. Josiah promised to follow God and obey His commands, and he had all the people make the same promise. Josiah also ordered that all idols be removed from the temple and throughout Judah, because he knew only God is able and worthy of our worship.

Hero Training at Home

While your child is cleaning up their toys, offer to help them and remind them of how Josiah wanted to clean up the temple. What was found when the temple was being cleaned up and rebuilt? Who is God's Word for? How can we make it a priority to read and/or listen to the Bible each day?

God's Power Bible Memory Verse

"Great is our Lord and mighty in power; his understanding has no limit."
Psalm 147:5
