## DIGGING DEEPER

## EARLY CHILDHOOD

Write our Bible verse for this series on a note card or piece of paper and keep it in your car. As your family is in the car together, say the verse together and challenge everyone to memorize it. Who can say the verse from memory before we get to the next stop or before we get home?

Each night as you have dinner together as a family, talk about the true meaning of Easter. Why did Jesus die on the cross and why is this so important? What happened on the third day and why is this so important? How can we celebrate and thank Jesus this week?

Take time to read a story from a children's Bible each night before bed. Make a plan to read a story from the Gospels about Jesus' life on earth each night leading up to Easter. Talk about why Jesus came to earth. Who did He come for and what did He come to do?

Play worship music and have a family worship night at home. Celebrate Jesus for making a way for our sins to be forgiven and for us to live with Him forever.
