Truth Discovered God rescues His people and brings them out of darkness.

Truth in Action

I can trust God because He is always with me.

Discovery Recap

Joseph was part of Abraham's family, through whom God had promised to bless the world. Joseph's brothers had sold him into slavery, and he was taken to Egypt. Even though Joseph was far from his family, God was with him. Joseph worked in the home of a man named Potiphar. When Potiphar's wife told a lie about Joseph, he was thrown into prison.

While Joseph was in prison, God helped him explain the dreams of two of Pharaoh's servants. Later, Pharaoh had troubling dreams that no one could understand. One of the servants remembered Joseph, and Pharaoh called Joseph out of prison. God helped Joseph explain that Pharaoh's dreams were a warning about seven years with plenty of food followed by seven years of famine. Pharaoh put Joseph in charge of preparing Egypt for the famine.

God had a purpose for the hard things Joseph experienced. He brought Joseph out of prison and placed him in a position where he would provide food for many people, including his own family. God was keeping His promises and continuing His rescue plan that would one day lead to Jesus.

Discover More at Home

Joseph experienced many difficult things, but God never left him. When your child has a hard day, remind them that God is with them when things are good and when things are hard. Pray together about something hard your family is facing and thank God that you can trust Him even when you don't know what He is doing yet.
