DIGGING DEEPER

EARLY CHILDHOOD

As you are driving encourage someone in the car to give clues describing a Bible story from this series and have others in the car try to get the story. Then as a family talk about what this story teaches us about God.

Each night as you have dinner together as a family, encourage everyone to share the best and worst part of their day. How can you praise Jesus for the best parts and how can you trust Jesus to help you with the worst parts?

Take time to pray with your child each night before bed. Ask them to share what they can praise and thank God for and what can they ask God to help them with? Who can they pray?

Write our Bible verse down and hang it somewhere you and your child will see it everyday. Read the verse together each day and encourage your child to say the verse to you in their own words. Challenge your child and family to memorize this verse by the end of February.
