Verse 1

Lord I confess that I've been a criminal
I've stolen your breath and sang my own song
And Lord I confess that I'm far from innocent
These shackles I wear I bought on my own

Chorus 1

Scarlet sins had a crimson cost You nailed my debt to that old rugged cross
An empty slate at the empty grave thank God that stone was rolled away

Verse 2

Lord I confess I've been the prodigal
Made for Your house but walked my own roads
Then Jesus came and tore down my prison walls
Death came to life when He called me by name

Chorus 2 (X2)

Scarlet sins had a crimson cost You nailed my debt to that old rugged cross
An empty slate at the empty grave thank God that stone was rolled
