

A WHOLE NEW WORLD

JOURNEY TO THE PROMISED LAND

Date January 25, 2026

In Exodus 7:1-6, God explained to Moses what was going to happen to Pharaoh, the Egyptians, and the Israelites. God chose Moses to deliver His people from the terrible things that were happening to them in Egypt. God sent Moses and Aaron to Pharaoh to ask for him to let the Israelites go. When Pharaoh refused to let God's people go, God sent the 10 plagues to Egypt. These 10 plagues were in the form of blood, frogs, lice, flies, disease, boils, hail, locusts, darkness, and death.

In verses 7-13, Moses and Aaron went to Pharaoh, who asked them to perform a miracle. Aaron threw his staff down, and it became a snake. Pharaoh's wisemen threw down their staffs, and they became snakes. Yet Aaron's snake swallowed up the other snakes.

Moses and Aaron were obedient to God and did just as God had asked them to do. God showed everyone that He was in full control. God brought glory to Himself through the judgement He put upon Egypt and all their false gods. These verses reveal the power of the One true God of Israel. Knowing God reigns over all, we can obey God just as Moses and Aaron did in these verses.

Series Bible Verse:

Exodus 14:14

**The Lord will fight for you; You
need only to be still.**

Questions:

1. Who did God use to deliver the Israelites from Egypt?
2. What happened when Pharaoh didn't let the Israelites go?
3. How can we learn from how Moses and Aaron responded when God asked them to talk with Pharaoh?
