

GAME ON!

God's Way

June 21, 2026

Lesson Summary:

In Joshua 6, we read about the battle of Jericho. God had promised the land to His people, and now it was time for them to trust Him. This battle was different from other battles. Instead of using their own plan, God told Joshua exactly what to do. The priests carried the Ark of the Covenant to show that **God was with His people**. The Israelites marched around the city of Jericho once each day for six days while the priests blew their trumpets. On the seventh day, they marched around the city seven times. Then the people shouted, just as God had commanded.

When they obeyed and trusted God, **the walls of Jericho fell down**. Hebrews 11:30 tells us this happened because of faith in God. Just like in the game **Battleship**, we sometimes face battles in life. But we do not fight alone. When we trust and obey God, we can remember that **God is the one who wins the battle**.

Series Bible Verse:

Colossians 3:17

And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him.

Questions:

1. How did the people of Israel defeat Jericho?
2. What is important for us to do in every battle we face?
3. Why does knowing God is with us help us with any battles we may face?
