Mission Message

**The Shipwreck -
Acts 27:27-44**

Lesson Summary

In Acts 27:27-44, Paul and the rest of the people on the ship had been driven across the sea. They were way off course from where they had planned to be which made most aboard feel fearful. Paul encouraged those aboard by telling them God would protect all of them if they stayed on the ship. God would be faithful to keep the promises He made to them. Paul told them all to eat so they would be prepared for what was coming. He gave thanks to the Lord for protecting and watching over them. The ship was starting to fall apart so the passengers all had to jump and swim ashore. There were 276 people on board and all of them made it to land safely. Paul trusted in God to keep His promises throughout this time. We too can trust God will be faithful to keep the promises He makes to us.
