(Last Sunday of Month)

Welcome
to
Northway
Community Church

This is the Lord's place, and all who are seeking Him are welcome! We strive to make a relationship with God as intelligent as science, as appealing as art, as vital as a good day's work, as intimate as a healthy home, as inspiring as genuine love, and as redeeming as God's grace!

Giving is an Act of Worship

Northway Community Church believes giving to your local church should be a planned and willful act of worship. Normally, we do not take up an offering as part of our worship services. Instead, we have an offering box located on the desk near the front door. Gifts to Northway (a non-profit corporation) qualify as tax deductible gifts. If you would like credit for your gift in your name and receive a contribution statement at year end, simply fill out and use our contribution envelopes as a means of depositing your gift into our offering box. Gifts to Northway are an act of worship between you and the Lord. As such, only a few from our accounting department know the giving records of our families. We do not want knowledge of contributions to impact or sway our staff's effectiveness in ministering to the body.

THE FUTURE DOES NOT BELONG TO THE FAINT-HEARTED

For those of you who are over the age of 40, will you think back with me to 11:38 a.m. (EST), the moment that the Challenger roared off launch pad #398 on January 28, 1986, a little over 38 years ago? The duration of that fatal flight was 73 seconds. All of us were shaken as we witnessed in horror the incinerating explosion of the Challenger one mile up and ten miles out. We each waited silently for news that the seven astronauts had been found safely in some raft a few miles off the coast of Daytona, but that hope was unfounded.

Then President Reagan, in addressing the nation about this tragedy, said: "The future does not belong to the faint-hearted!" Such words were directed to those well-meaning opponents of space venture who wanted to do away with NASA entirely. Their desire was for our nation to pitch our tents at the scenes of failure, sorrow, and discouragement. When that philosophy is applied to any endeavor, it will fail.

As the Lord is leading our church into the future, will another generation be grateful for our courage? Indeed, the future does not belong to the faint-hearted when it comes to exploring outer space, nor does it belong to the faint-hearted when the will of God, the power of prayer, and the promises of the Scriptures are concerned.

"Throttle Up" was the last command to be heard from Dick Scobee, the valiant commander of the Challenger. As we have recently stepped forward into a new year with opportunities and challenges abounding, and God giving us the go ahead to obey, may our reply be, "Roger...Throttle Up!"

Devotedly your pastor,
Bill Blanchard
