MESSAGE NOTES

"CREATED IN A WEEK"

Genesis 1:1-2:3

- I. The Meaning of the Days of Creation
The Hebrew word for "day" is used in a variety of ways in the Bible:
 - A. 24-hour period of time
 - B. The daylight period of each 24 hours
 - C. An indefinite period of time
 - D. An inclusive period of time
- II. The Miracle of the Days of Creation
There are 3 reasons why I reject the theory of evolution:
 - A. Logical Concerns
 1. It has no adequate explanation for the origin of life.
 2. There is no evidence that one species has ever crossed over into another.
 3. The evolutionist has no answer to the non-physical, higher qualities in the life of human beings.
 - B. Theological Reasons
 - C. Moral Grounds

SANCTITY OF HUMAN LIFE SUNDAY

"Why Choose Life?"

Fifty-one years ago, on January 22, 1973, in a very close 5-4 vote, the Justices of our Supreme Court, legalized abortion on demand in our country in the infamous Roe vs Wade ruling. Since then, over 65 million unborn babies, in this country alone, have been murdered.

Many wonderful Christian women today have experienced an abortion in their past, mostly when they were young, not fully informed, and not operating within a biblical worldview. And over the years as a pastor, I have discovered that they serve among the very best, most effective Christian counselors in helping others at this point.

As we contemplate the Sanctity of Human Life Sunday, please don't forget to pray for "Options Now," a wonderful Christian crisis pregnancy center located on Park Avenue right here in our city.

Devotedly your pastor,

Bill Blanchard
