Community Church

This is the Lord's place, and all who are seeking Him are welcome! We strive to make a relationship with God as intelligent as science, as appealing as art, as vital as a good day's work, as intimate as a healthy home, as inspiring as genuine love, and as redeeming as God's grace!

MESSAGE NOTES

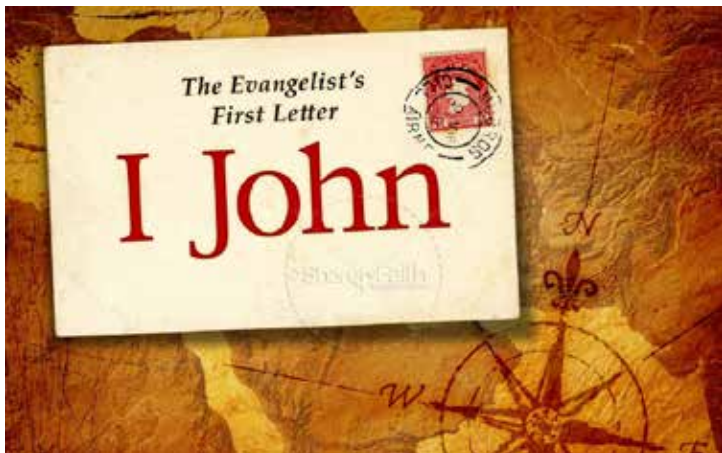

"The Nail-Scarred Hands"

John 20:19-29

The physical scars/wounds of Jesus tell us at least 3 things:

- I. God Understands Suffering
- II. God Understands All About Our Suffering Too
- III. Jesus Has Conquered Death

WORDS MATTER

There are approximately 600,000 words in the English language. The average American has a "use" vocabulary of about 10,000 words, and a "recognition" vocabulary of some 35,000 words. When a youngster enters the first grade, he/she might have a personal vocabulary of about 3000 words, which may expand to more than ten times that upon graduation from college.

These things being true, it seems strange to suggest that one can be articulate with a 21-word vocabulary. Nevertheless, there are ten sentences, consisting of three words each and utilizing a total of twenty-one words, which provide some of the most appropriate vocabulary in our language:

I love you.
I thank you.
May I help you?
I understand you.
I was wrong.
I will pray.
Take your time.
Please forgive me.
You did well.
You look nice.

Learn to speak that language. Conquer that vocabulary. And you will be happier, plus you will be able to better communicate in the name of Jesus to others.

Devotedly your pastor,
Bill Blanchard
