

ISLAND ECC 2024 - 2025

ANNUAL REPORT

BRINGING LIGHT TO THE CITY

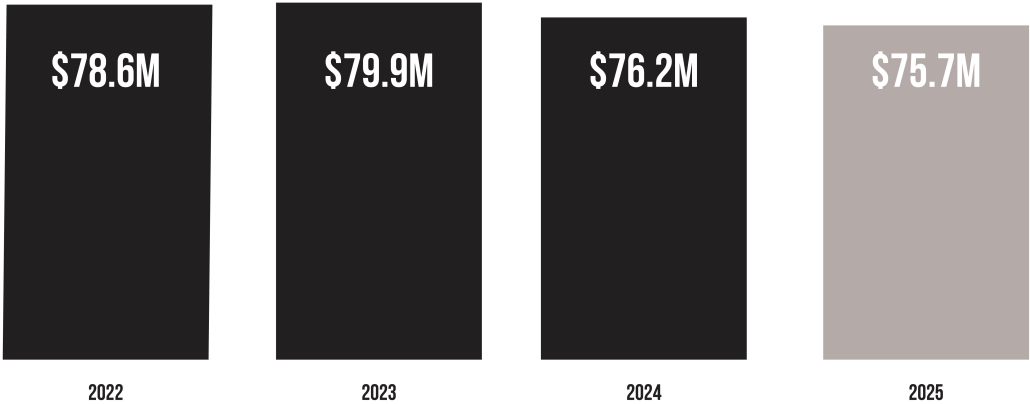

ANNUAL GIVING AND FUND ALLOCATION

the BOLD FAITH CAMPAIGN

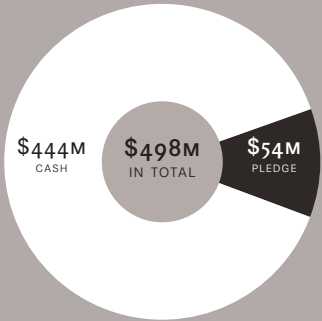

This year has been a defining chapter for our Bold Faith campaign supporting the Sunbeam revitalisation project. On Christmas Eve, we gathered for four services at our future home, the historic Sunbeam Theatre, bringing our congregation together to worship under one roof. This memorable occasion gave us a glimpse of what’s to come and a tangible reminder of God’s faithfulness. In March, the “Breaking Ground” sermon series inspired a church-wide response, raising \$48M in donations and pledges toward our 2025 Bold Faith target of \$150M (by end of March 2026). With project consultants and dedicated volunteers diligently at work, progress is in full swing, uniting efforts to transform Sunbeam into a new light for the North Point neighbourhood, the city, and beyond.
