

ISLAND ECC 2025 - 2026

ANNUAL REPORT

BRINGING LIGHT TO THE CITY

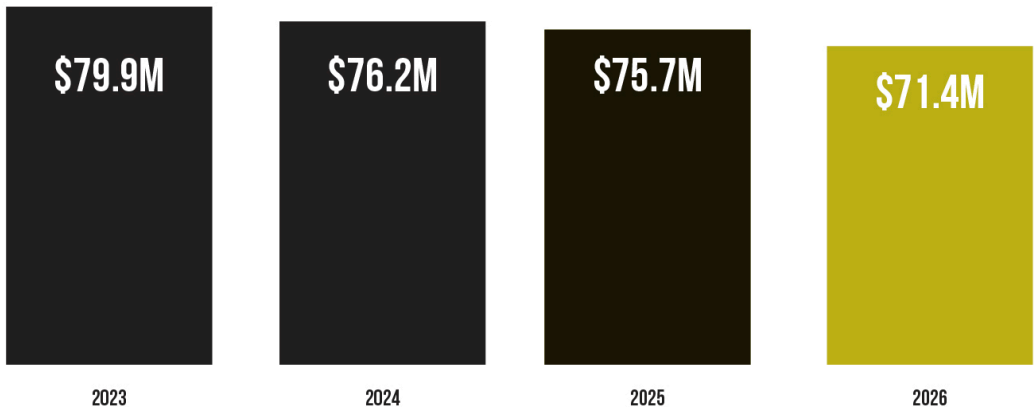

ANNUAL GIVING AND FUND ALLOCATION

the BOLD FAITH CAMPAIGN

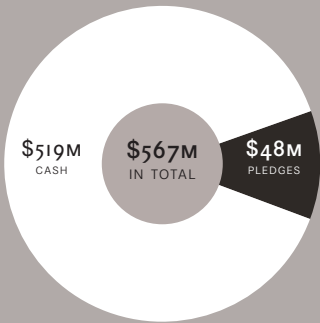

This year, Bold Faith has remained a steadfast anchor for Sunbeam Revitalisation. By God’s grace and the remarkable faithfulness of our congregation, we have raised a total of \$117.6M towards our 2025 Bold Faith target of \$150M – generosity that has fully secured the funding required for all three initial phases of the project. Through the diligent stewardship of our church leadership, we have achieved significant financial savings across these phases, a provision that is nothing short of miraculous. As more people join this monumental effort, we are witnessing a beautiful demonstration of unity and a profound love for our church, our city, and His Kingdom work.
