

“Make Disciples”

(1) Getting Started	(3) Digging Deeper
Groups With Kids • Questions for Kids: “This week we learned about how God gave us the gift of family. What makes your family special?” All Other Groups • Leaders: For Week 2 of our Small Groups, welcome any first-time members and have each member introduce themselves. Prayer • Take prayer requests and pray for each other.	Read • Deuteronomy 6:4-9 Discuss • According to this passage, what were the things a Jewish family should do to remember what God had done for them? • How might this apply to us today? • How does this compare to how Christians tend to disciple their kids today?
(2) Read Scripture	(4) Application
Read • Flip through 2 Samuel 13-19 Discuss • To end our Fall Sermon Series, we learned about the importance of making disciples in the home and in the church. • Review the story of David and Absalom by sharing what happened chronologically. • How did David succeed or fail as a father to Absalom?	Questions • How did your parents disciple you and help you grow closer to Jesus? • What have you wanted to keep and what have you wanted to do differently in your own family? • What lessons can we learn and apply from the story of David and Absalom? • As a parent, grandparent, or church member, how can you participate in discipling the next generation in our church family? • How can our Small Group participate in discipling the next generation in our church? Close in prayer
