

“Faith to Do the Impossible”

(1) Getting Started	(3) Digging Deeper
Groups With Kids Questions for Kids: “What is one prayer that you wish God would answer?” Halloween Block Parties Leaders: If your Group is interesting in hosting a Block Party (by yourselves or with another Small Group), please let Grant Penrod know. The church will reimburse up to \$200 for whatever you purchase. (grant@bccommunitychurch.org) Prayer - Take prayer requests and pray for each other.	Read 2 Corinthians 12:1-10 Discuss - The “Word of Faith” movement says that if we have enough faith, God will prosper us, and we will not suffer. - How do Paul’s words and experience challenge that way of thinking? Read - John 15:1-8 Discuss - What corrective does Jesus give to the idea that if we just “ask anything in His name” He will give it to us? What does He want us to do first? What is the outcome?
(2) Read Scripture	(4) Application
Read - Luke 17:5-6 Discuss - Have you ever asked God for more faith? What was going on when you did? - How did Jesus respond to the apostles when they asked Him to give them more faith? - Pastor Dave said, “It’s not about how much faith we have, it’s about Who our faith is in.” - How might Jesus’ words, and the analogy of the Mackinac Bridge, help your faith when you are struggling?	Questions - Have you ever prayed for and experienced a miracle? What was it? How did it strengthen your faith? The faith of others? - Have you ever prayed for something that God said “no” to? What was it? How did it impact your faith? - How do we keep from becoming disciples who don’t believe that God still does miracles, without going too far in the other direction and believe that God must do what we pray for? - How can our Small Group encourage each other to stay connected to the Vine (in the Word and in prayer) this week? Memorize: Proverbs 3:5-6
