## NEW HOPE FOR OUR CHURCH

1. How does consumerism infiltrate our lives? In what way does it force itself into our daily experience? Also, personally, what are the thoughts or beliefs that consume you and shape how you live?
2. How do we as a community encourage each other toward selflessness and service? What can it look like for New Hope Church to deny itself and take up the cross and follow Jesus? See Luke 9:23–27.
3. Read Jesus' words in Mark 10:45. How does the life of Jesus influence our posture toward one another? Do we let His life and mission cause us to put aside our desire about how church looks and functions so as to meet the needs of other age groups and/or cultural communities?
4. For any lies that motivate us to make the world about us, how does Jesus meet us in those lies and help us? How can we then help others be made new and find hope?
