JAMES: TONGUE & TACT

James 3

1. Read James 3. How do you verbally share with others the work of God in your life? How can the words you use stop other from hearing the message of the Gospel?
2. How do your words build up or tear down others?
3. Share a time where you weren't slow to speak. How did your words impact the other person?
4. How do we serve one another with our words? Have you ever thought of services as words of affirmation?
5. What could it look like for us as the Church, not just the person on the platform, to verbally cast a vision of an All Peoples community? Why is this a key component of the Gospel?
