Created and Called

1. Pastor Clint emphasized that 'God created you to use you.' How does this central theme challenge our understanding of God's purpose for our lives? In what specific ways do you feel God might be preparing to use you in your current season of life?
2. The sermon discusses how God brings us close to Himself, referencing Exodus 19:4 where God says 'I brought you to myself.' Why is this concept of God actively drawing us to Himself significant? Can you identify moments in your life where you felt God actively drawing you closer to Himself?
3. How does the image of God carrying Israel 'on eagle's wings' (Exodus 19:4) demonstrate His care and protection for His people? What are some ways you've experienced God's support during challenging times in your life?
4. Pastor Clint emphasized that God gives us value rather than choosing us because we were already valuable. How does this perspective change our understanding of grace? How has understanding God's grace as a gift rather than something earned impacted your relationship with Him?
