Why Should I Memorize Scripture?

Take the challenge of storing up God's Word in your heart this year by memorizing Scripture. Each month, you will be presented with a new passage of Scripture to memorize and recite. Author Don Whitney provides five benefits of memorizing Scripture:

1. Memorization **Supplies Spiritual Power.**
2. Memorization **Strengthens Your Faith.**
3. Memorization **Prepares Us for Witnessing and Counseling.**
4. Memorization **Provides a Means for God's Guidance.**
5. Memorization **Stimulates Meditation.**

What is a Catechism?

A Catechism is a tool used to instruct adults and children on foundational doctrine using simple questions and answers. Each week, take time to memorize and internalize core doctrines that will help to strengthen your walk with Christ. These are great to use individually or as a family. A few examples of how you might use these catechisms:

1. **Incorporate them into your personal quiet time.**
2. **Write the questions and answers on an index card and look at it throughout the day.**
3. **Add them to your family worship time and recite them as a family.**
4. **Whatever method or methods you choose, remember that repetition brings retention.**

Invite & Invest

At Hickory Grove, we believe that every member should be actively on mission, making much of the name of Jesus through both evangelism and discipleship. **One way we seek to do this is by intentionally inviting our neighbors and investing in them personally.** Use the provided space to pray for those you would like to invite to church, a ministry event, or a fellowship gathering, and to consider how you can personally invest in them.

Who have you invited recently?

How are you investing in them?
