## FEBRUARY BOOK OF THE MONTH

### ***Turning Everyday Conversations into Gospel Conversations* by Jimmy Scroggins**

We live in a broken world. And the gospel is how God puts broken people back together again. Once we repent and believe in Jesus, God's Spirit helps us recover and pursue His design. God is the one who created the world and every human being in it. Authors Jimmy Scroggins and Steve Wright outline a reproducible method of sharing the gospel that has been tested in the real world. Turning Everyday Conversations Into Gospel Conversations is a simple strategy to train new

and seasoned believers to join God in His reconciliation work.
