Chapter 6 – Faith in Future Grace vs. Pride

Grasping the Big Idea

1. From page 83, What does Piper mean when he says that humility “follows God like a shadow”?
2. From pages 85-86, According to Jeremiah 9:23, what are God’s “great competitors,” and what do they reveal about pride?
3. From pages 90-91. How does Piper expose atheism as the ultimate form of pride?
4. What does 1 Peter 5:5–7 teach about the relationship between humility, anxiety, and God’s gracious care?

Challenged to Change

1. Where in your life do you sense the pull of pride—self-reliance, need for credit, or comparison with others?
2. How might faith in future grace release you from the exhausting need to prove yourself?

3. In what situations can you practice entrusting yourself to God rather than controlling outcomes?

Praying for Change

Pray for the grace to lay down pride and embrace the humble posture of trust. Ask the Lord to help you believe that His care is enough and that His grace will meet you in every moment of need.
