Chapter 11 – A Love Affair With God’s Law

Grasping the Big Idea

1. Is there anything that stood out to you from this chapter? Any questions, observations, or encouragements?
2. From pages 142-144, How could Old Testament saints love the law if it revealed and provoked sin?
3. From pages 148-149. How does Hebrews 11 demonstrate that obedience in the Old Testament flowed from faith in future grace?
4. From pages 152-153. What conclusion does Piper draw about how believers today should relate to the Old Testament law?

Challenged to Change

1. Do you see God's commandments as life-giving or life-draining? What does that reveal about your view of God?
2. Are there commands you resist because you distrust the goodness of God's design?
3. How would trusting in future grace help you embrace even difficult commands with joy and confidence?

Praying for Change

Ask God to rekindle your love for His Word—not as a set of burdens, but as the voice of a gracious Father. Pray for the Spirit to write His law on your heart and empower you to obey with delight.
