

Future Grace Questions

Chapter 21 – Applying the Purifying Power: Faith in Future Grace vs. Bitterness

Grasping the Big Idea

1. Is there anything that stood out to you from this chapter? Any questions, observations, or encouragements?
2. From page 262-263. How does Scripture portray God's final judgment as grace for His people?
3. From page 267. How did Jesus solve the "judicial predicament," and what does this teach us?
4. From pages 270-271. What is the deeper problem when someone claims to be forgiven but refuses to forgive?

Challenged to Change

1. Who do you need to forgive—not from your own strength, but by trusting in future grace?
2. How does holding a grudge reveal a belief that God won't ultimately make things right?
3. What would it look like to release bitterness and entrust justice to God?

Praying for Change

Pray for grace to forgive—freely and fully—just as God in Christ forgave you. Ask the Spirit to uproot bitterness and replace it with a deeper trust in the justice and sufficiency of God's future grace.
