Chapter 29 – The Future Grace of Dying

Grasping the Big Idea

1. From page 353. How does Piper contrast the worldview of evolution with the biblical view of death at the beginning of the chapter?
2. From pages 355-356. How does Hebrews 2:14–15 explain Christ’s victory over the fear of death?
3. From pages 358-359. How does Paul overcome the discouragement of his “wasting away” body?

Challenged to Change

1. Do you avoid thinking about death—or do you see it as a final opportunity to glorify God in faith?

2. How does your view of dying reflect your trust in God's promises for what lies beyond?

3. What legacy of faith do you hope to leave for those who watch how you finish the race?

Praying for Change

Pray for faith to face death with peace and assurance, resting in the victory of Christ and the hope of resurrection. Ask the Spirit to make you ready to finish well—rejoicing in the future grace that death cannot cancel.
