

Taking God at His Word

Chapters 7-8

1. From chapter 7 of *Taking God at his Word*. Is there anything from this chapter you would like to discuss further??
2. On page 95, DeYoung says: "If you are a Christian, by definition you ought to believe what Jesus teaches." He goes on to say: "Surely this means we are wise to believe about the Scriptures whatever Jesus believed about the Scriptures." **In your own words**, how would you answer the question: What did Jesus believe about the Bible?
3. On pages 98-102, under the heading "Not an Iota, Not a Dot," DeYoung asks the question (bottom of 99), "But, someone may ask, doesn't Jesus sometimes argue that the Old Testament was wrong? Doesn't he actually correct the Scriptures on a few occasions?" How do the pages that follow help you answer those objections?
4. From chapter 8, how were you encouraged, challenged or informed by this chapter?
5. On pages 113-122, DeYoung goes over four reasons "we should stick with the Scriptures" – our history, Scripture's ability, Scripture's originality, and Scripture's practicality. Which reason most resonated with you? Explain.
6. As this is the last chapter of *Taking God at His Word*. What were some takeaways from your reading of this book?
