## Re-Vision Team enthusiastic and ready to lead

Back in September, Ministry Architects presented to the Kirk congregation recommendations to help you move forward. A Re-Visioning Team was formed and in October, began their work. This team will oversee the two-year process of developing and implementing the Kirk's vision for the future, and addressing Ministry Architect's recommendations, serving as a non-anxious presence during this period. They will work with the Session, the Staff, and the congregation to address the immediate and long-term issues facing the Kirk, affirm a consensus for the direction of the church, support work on accomplishment of goals and implementation of the

mission statement and values, and help assess any infrastructure needed to support all this work.

On October 18th the members of the Re-Visioning Team gathered to be oriented to the Agile Project Management Process. This is a method that the team will use in prioritizing the recommendations and mapping out the next steps. Some priorities have been identified as tasks to tackle first. These initial priorities are related to welcoming visitors, assimilating new

members, thanking volunteers, and following up with members we haven't seen for a while. Most of this work will be centered around establishing processes within the church structure so that a sustainable system is in place for the long term. The results won't happen overnight; change takes time. Members of the Re-Visioning Team just might invite you to be a part of shaping the future of the Kirk in the Pines.

In 2025, Ministry Architects will return to lead our congregation in a Vision Summit. So stay tuned... you'll hear more from the Re-Visioning Team. Please keep them in your prayers, and feel free to reach out to any of the team members if you have any questions. ## **Familiar “Treble in the Village” wins prestigious award**

Kirk members are very familiar with Treble in the Village, a Sweet Adelines International registered quartet, whose members include the Kirk's very own Patty Barnes and Sharon Gardner. Other members are Village resident Kathy Allison and Benton resident Kristi Ponder. Treble performs regularly for the Kirk, in church services, both Saturday and Sunday, and for other Kirk functions such as PW gatherings or Fellowship Committee events.

Recently Treble competed in the Sweet Adelines Diamond Division International Quartet Competition in Tulsa, OK. This competition is for “senior” quartets – in other words, all members must be 55 or older! Fifteen quartets competed in front of an international audience and Treble placed third! They are thrilled!!

Treble is getting ready for the Christmas season, which is always busy for them. They are available for hire for civic groups, birthday parties, anniversaries – you name it!

The Kirk Choir invites you and your friends to attend our annual Christmas program on Saturday, December 14 at 1:00 p.m. The program is entitled "Born a Child, and Yet a King" and includes many familiar favorites, such as "God Rest Ye Merry, Gentlemen", "Rise Up, Shepherd and Follow", and "Joy to the World".

The choir will introduce new arrangements of "O Come, Emmanuel", "The Virgin Mary Had a Baby Boy", and "He Is Born". Several choir members will also feature in several anthems, including Tina Kneisler in "My Soul Doth Magnify the Lord". We will be accompanied by our own keyboard masters, Donna Toney and Fran Stroud.

The soprano solo "Pie Jesu" from Gabriel Faure's Requiem, will be sung by Susan Morrow. The Requiem is considered one of Faure's most beautiful works. "Pie Jesu" translates to "Merciful Jesus" in English. The simple text captures the glory of God's promise of eternal life in an equally simple, lovely melodic line.

Handbells always add joy and sparkle to the season, and we will be delighted to hear our Handbell Choir. We are so fortunate to welcome back two instrumentalists who happen to be sisters, Kathy Hendricks on flute and Cheri Theil on percussion.

Please join us and invite your friends as we musically celebrate this joyous season!

## **Our own "Good Samaritan!"**

As published recently in the Village Voice, Wayne Morrison of Hot Springs wrote to thank some "kind strangers" for help after he fell in a restaurant parking lot. Two strangers jumped in to assist the man and his wife. One of those kind strangers was our very own E.J. Pangle.

EJ called 911 and even drove herself to the hospital and sat with this perfect stranger's

wife for two hours. Wayne says, "neither my wife nor I had ever met these two strangers. In my mind, the Lord had just sent two angels to help us. Only in the Village can you find this kind of caring and love!"

## Three to stand for 2027 Session roles

### Jane Moore

Jane Moore is a "cradle Presbyterian" and a native Arkansan, born in Fayetteville. Her father was a high school principal and a football coach, so the family moved around some in Arkansas. Her career, however, was spent in Houston where she retired from Exxon Mobile in accounting and systems. Jane was a member of the Atascocita Presbyterian Church in Houston. She was ordained an elder there and served as Moderator of the Finance Committee.

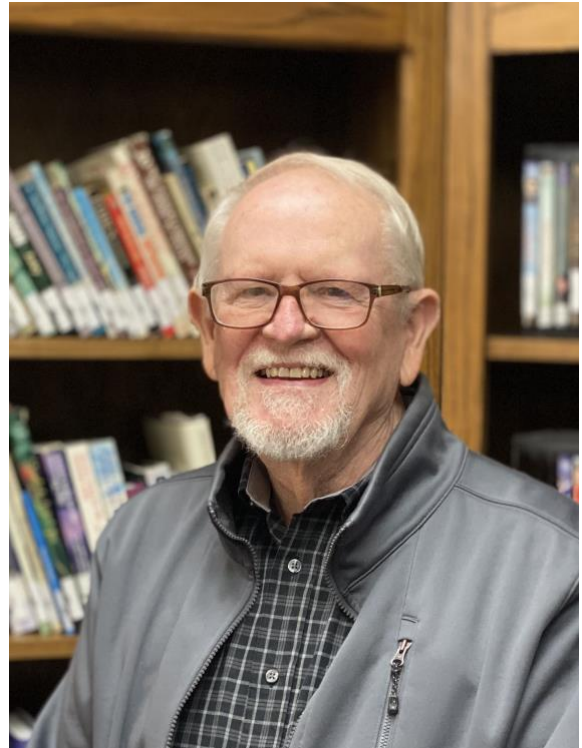

She moved to the Village to get away from the extreme heat of Houston. A side benefit is that she gets to see her brother more often, since he lives in Russellville.

Jane loves the Kirk because it feels so much like home, like the other Presbyterian churches she has attended. At the Kirk, she has served on the Memorial Reception Committee and is a Greenhorn. There is an extra benefit of serving as Moderator of the Worship Committee. It doesn't have regular meetings. She's in favor of that.

### Robert Sonnen

Robert Sonnen is a familiar face at the Kirk. He can frequently be seen either manning the soundboard or photographing events at the Kirk.

Robert was born in Abilene, Tx. and grew up in Brownsville. He obtained a Biology Degree at UT Austin through the ROTC program there. After graduation was sent to Viet Nam where he served in a food distribution depot. Robert worked for 33 years in Houston, Tx., in the banking industry. It was during this time that Robert joined a photography club in 1974 and eventually obtained PPA certification. He also met Melissa through the club and the two were married in 1992 (at a club meeting). They moved to New Mexico where he even served on the Board of the New Mexico Professional Photographers. Originally Episcopalian, Robert became a Presbyterian and joined the Kirk after moving here in 2012.

Few know that Robert helps fill in as a sexton for Chip Johnson when he is away and has even served

(continued on pg. 5)

(continued from pg. 4)

as an interim sexton before Paul Stivitz was hired. Robert also participates in the HSV Angler's Club and is happy the club has a catch and release policy since the only type of fish he likes to eat are "the ones that are already cooked."

Robert is looking forward to keeping the Kirk facilities in good shape and working to support the Re-Vision team as we move forward. *Contributed by Bob Morrow*

## Susan Morrow

Susan Morrow is honored to be nominated to serve as a Ruling Elder and to be able to continue working with the Christian Education Committee as Moderator.

Education is in the blood for Susan, literally. Her father and mother were both educators (public school principal & choral music director, respectively). Susan obtained a Music Education degree from Baylor University in Waco, Texas (1975) and a master's degree in vocal pedagogy from the University of Texas, San Antonio. She taught in both public and private schools spanning from the elementary to college level. Susan went on to earn her CPA and a pursued a career in public and private accounting.

Susan grew up as a Baptist but joined the Presbyterian church after her marriage to Bob Morrow. She has served in many capacities including as a deacon at Second Presbyterian Church, Little Rock. She joined the Kirk in 2018. She is the immediate past PW Moderator and currently serves

on the Christian Education Committee and Communications Committee.

Susan's vision and goals for the Christian Education program are to continue the strong tradition of class offerings and to work with the Kirk Re-Visioning Team to offer programs that will meet the needs of both the Kirk and the community that we serve. *Contributed by Bob Morrow, Communications Committee Moderator*

## Angel Tree will be back for Christmas in 2024

Approximately 27 years ago, the Kirk Mission Committee began the Christmas Giving Tree tradition. Marilyn Johnson was the first of many to organize the project. Since then, Kirk members have helped put smiles on the faces of hundreds of boys and girls in our community.

The Christmas Giving Tree or Angel Tree, as it's also known, will be loaded with tags again this year. The tags represent children from Mountain Pine Head Start, Vera Lloyd Children's Home, and Ouachita Children's Center. Gifts for Mountain Pine children should be returned wrapped or in gift bags with the tag attached to the outside of the package. Vera Lloyd gifts should be put in gift bags only, with the tag attached so the contents are visible to the staff at Vera Lloyd.

Ouachita Children's Center asks for gift cards only, so they can be used by staff and youth to purchase gifts. The tag and gift card should be taped together to ensure that it goes to Ouachita instead of Vera Lloyd.

Someone will be available by the tree, if you have any questions. Look for the festive tree in the Narthex beginning Sunday, November 24. The deadline for returning gifts will be Sunday, December 15. Elves from the Mission Committee will deliver the gifts in time for Christmas. There will be specific information

Thank you for sharing your love with boys and girls in our community and making their Christmas brighter.

Legend has it that a Cherokee youth had to go through a rite of passage. His father took him out into the forest with a blindfold to sit alone on a stump the entire night. He could not take off the blindfold until the rays of the sun struck him the next day. Once he survived the night, he would be considered a man.

The boy was terrified. He could hear the beasts and other threatening sounds from the forest all around him. But he sat stoically. He wanted to be recognized as an adult. Finally, after the horrific night, the sun appeared and warmed his face.

He removed his blindfold and only then discovered that his father was standing nearby. He had been there the entire night. And like the boy, may we know that we are never alone because our Great Parent, our Great Spirit, God, is always sitting or standing next to us.

## Pastor's Corner

Dear Friends,

I've noted over the years that when Halloween comes around Christmas seems to be the day after. It happens that fast. But then again, these last five months have come and gone pretty quickly as well. The older I get the faster time flies.

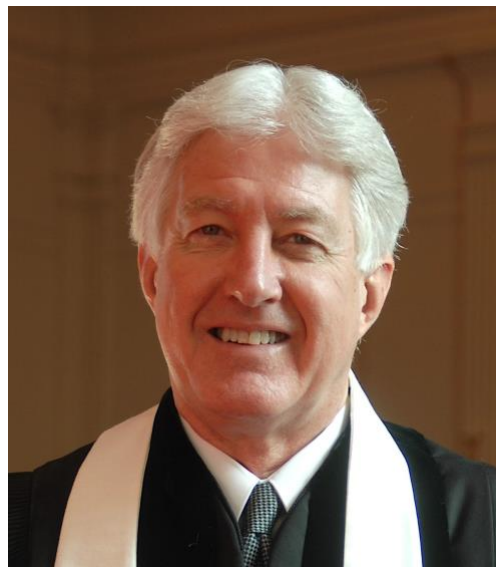

So now that the scary accoutrements of Halloween are being put away, we begin the season of gratitude, followed by the season of anticipation. How shall we do it at the Kirk? You may say, probably the same way we've always done it. But Janet and I don't know how you've always done it. This being our first time celebrating the holidays with you, we do so filled with the twin emotions mentioned previously: gratitude and anticipation.

I have mentioned to several of you that some of my friends, not to mention family, have asked why I have involved myself in so many interim ministries, this being my fifth since retiring the end of 2017. Why don't I settle down and fully retire?

First of all, I sense it as a calling, just as real and significant as when I was engaged in full-time pastoral ministry for almost fifty years. I've been fortunate that these interim possibilities have come to me in my retirement years and that I have not had to seek them out. And frankly, it is a matter of some pride that so far I have been able to "hand off," to very capable ministers, the leadership positions I have had on an interim basis. Knowing that these ministries have been placed in the hands of gifted and effective ministers gives me hope for the future. It is my desire and prayer that this will be true of the one you will call to be your next pastor.

Plus, think of all the new friends we have made! So, grateful for your friendship, support, and kindness toward us, we anticipate a wonderful holiday season with you. Randy Toney and I have been meeting as we plan the worship and music for the seasons coming up in these next few weeks. My prayer is that we will worship joyously as we celebrate God's goodness to us.

If you have the opportunity to make new friends (after all, new residents move into the Village just about every day!), why not invite them

**Pastor Randy Hyde**

to worship with us here at the Kirk? Offer them a ride and tell them you will "buy" them a cup of coffee after worship. Our church has good news to share, and you are the very ones to do just that.

Appreciatively,

Randy H.

A lot has been happening at the Kirk this last month: We enjoyed a delicious and entertaining Chili Cookoff dinner as we tested our Kirk cooks' chili recipes; we kicked off the fall Stewardship campaign; and we welcomed back Sara Bailey, one of our Ministry Architects' consultants, to begin planning with our new Re-Visioning Team. Yes, it was a busy month topped off with meaningful praise, prayer, and preaching, not to mention spectacular music at the Saturday and Sunday worship services. Your Session is endeavoring to maintain the full life of the Kirk as we go through this transition time and doing a great job of it.

And there's more to come in November: a 4-week Wednesday morning Bible Study on the life of the Old Testament David led by our own Rev. Hyde; a Called Congregational Meeting on Sunday, November 10<sup>th</sup> to elect a Pastor Search Committee, 3 Elders for the class of 2027 and next year's Kirk Nominating Committee; and, of course, Thanksgiving dinner at the church for all those who would like to enjoy turkey and all the trimmings with their church family. We've got much to look forward to.

## Helping Hands serves meals seasoned with TLC

A group of Kirk women have been gathering since 2007 in the Kirk kitchen on the second Tuesday of each month. They get together to cook meals for others. These others are our fellow members who have had recent surgery, illness, or “just need a boost” according to Judith Rosenthal, one of the leaders of this group. Congregational Care committee members deliver the hot and delicious meals that same day. She stressed that these meals are not just for the “home bound”, but for anyone who, because of difficult circumstances, needs a break from meal preparations.

Helping Hands Ministry is supported primarily by generous donations from members of the Kirk

They also receive a small amount from the proceeds of the P.W. Christmas Luncheon. Several years ago, they discovered the Greenhorns’ bank account was too low to cover the cost of Helping Hands. They then asked the Session for emergency funds from the missions committee and were granted \$600. Word of the need spread, and financial donations continued to come in from individual Kirk members. The women are exceedingly grateful for all these contributions.

We too are exceedingly grateful. We are grateful to the women who prepare the hot meals for our members. They are one way to express Kirk’s care for those experiencing difficult times.

Members of the group of cooks include Donna Toney, Carol Clark, Judy Rosenthal, Becky Baldwin, Becky Wakefield, Marcia Bauer, Jane Moore, Rosalyn

If you are experiencing a difficult time, or know of someone who is, please let Becky Baldwin know, and you too or they can receive the gift of a hot meal.

## Your Food Pantry donations help ease hunger among homeless

Your donations to the Food Pantry boxes in the narthex, Bailey Hall, and Kirk office are given to two agencies that shelter and feed the homeless, Potter’s Clay and Jackson House, both in Hot Springs. Members of the Mission Committee deliver these generous and tangible tokens of love to the leaders of the ministry who always express sincere gratitude for these Christ-like acts of kindness.

## **Dorothy B. Stroupe**

Dorothy (Dot) B. Stroupe died September 27, 2024, at 5:00 a.m. at the age of 97. She was born to Jesse and Annette Beam in Mexico, Missouri on January 3, 1927. Dot graduated from Mexico High School, and attended Culver Stockton College in Canton, Missouri, where she was a member of the Chi Omega sorority at the University of Houston.

Dot married the love of her life, John Stroupe, Jr in 1950. They made their home in Missouri, Texas, Colorado, and Ohio before moving to Hot Springs Village in 1987.

Over the years she was active in the Red Cross, DAR, March of Dimes, PTA, American Cancer Society, Mobile Meals and many bridge clubs. She was a life-long member of the Presbyterian Church and served in various positions including co-youth leader, circle chairman, Bible study leader, Moderator of the Women of the Church, deacon, elder, and Clerk of Session.

She was predeceased by her parents, her only sister, Marilyn and her wonderful husband, Paul. Dot is survived by her beloved son, Scott Stroupe, daughter in law Linda Heitz of the Village, her loving grandson, Justin R. Stroupe (Melissa) of Sharpsburg, Georgia, and great grandchildren Gabrielle and Justin Reaves, Jr.

Memorials may be sent to the Endowment Fund of the Presbyterian Kirk in the Pines or to Potter's Clay in Hot Springs, AR. A private interment will be scheduled in the Spring of 2025.

## **Eric H. Holtberg**

Eric H. Holtberg of Good Samaritan Society in Hot Springs Village, Arkansas died peacefully on August 31, 2024 at CHI St. Vincent Hospital in Hot Springs. Eric, the son of Robert and Althea Holtberg, was born in Hollis, Queens, New York on November 18, 1949. He is survived by his sister, Elizabeth Schupp, brother, Arnold Holtberg, sister-in-law, Jan Holtberg and many loving extended family members. The past seven years at Good Samaritan were a blessing as Eric found a remarkably caring loving home among the generous caring staff there.

Though Eric suffered an illness at eleven months of age which left him partially paralyzed on his entire left side, he approached life with enthusiasm and full engagement. He loved reading and doing puzzles of all kinds. A talented and award-winning artist, he exhibited incomparable creativity.

(continued on pg. 11)

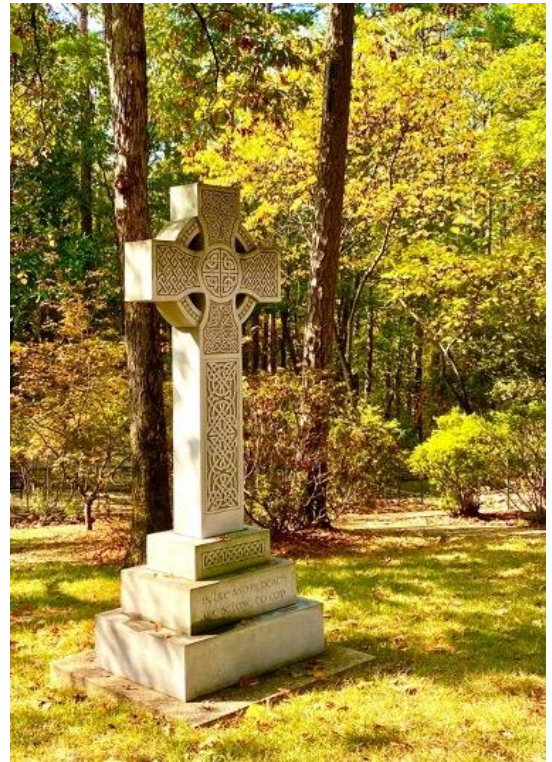

(continued from pg. 10)

One of his favorite activities as a young man was serving as the student manager for a state championship baseball team. After graduating from Smithtown Central High School (N.Y.), he studied art at the New York Institute of Technology. And later, after the family moved to Cincinnati, Ohio, Eric served as an ardent and responsible volunteer at Goodwill Industries.

Family, friends, and caretakers all describe Eric as sweet, kind, warm, and loving. His clever sense of humor showed up on many an occasion. Simply put, Eric was a joy to be around. He resisted being called the Crown Prince of the Holtberg family, but he deserved that title.

A memorial service will be held in the chapel at Lake Forest nursing home on Cortez Road in Hot Springs Village at 11:00 a.m. on Saturday, November 16, 2024. Following the service, Eric's ashes will be interred at Kirk in the Pines Presbyterian Church in Hot Springs Village. All are welcome to join the celebration of Eric's life.

## ***Acute clothing needs identified by Love Lunch volunteers***

Did you know that members of our congregation support the Salvation Army Love Lunches program? Volunteers in this program give out free lunches Sundays at the main office of the Salvation Army in Hot Springs.

The lunches include bologna and cheese sandwiches, cookies, crackers, and bottled water. Kirk volunteers take their turn on Sundays every other month, alternating with other churches, 10am, start handing out sandwiches at 12:30. 84 lunches were served by Kirk members this month.

But there is now an acute need for clothing which has been identified by the Salvation Army, according to Ruth Richards, one of our own Love Lunch makers. Clothing of any kind is needed but especially winter clothing including shirts, socks, pants, jackets, sweaters, gloves, and caps. Please donate by bringing your extra clothes to Bailey Hall and placing them in the bin under the coat rack (right).

Contact Ruth Richards if you have questions at 501-922-5421.
