# **Worship Team Auditions**

# Worship Team Auditions

Welcome! We are honored you have shown interest in becoming a part of the First Colony Worship Ministry. We believe worship is one of the primary responsibilities of those who belong to Christ. Therefore, we treat God's requirement to worship Him as a priority in our lives and lifestyles.

First Colony is a "both/and" church, meaning we do both acappella worship gatherings AND instrumental worship gatherings. The Worship Ministry facilitates worship at both services each week using a worship team comprised of vocalists at our acappella service and a worship band comprised of vocalists and instrumentalists at our instrumental service. If you believe God has called you to lead people in worship, then we are excited to partner with you to serve Jesus through the medium of music. Before auditioning, we ask you to read through the Worship Ministry Handbook. You can find a link on our website under Worship Ministry.

Currently, we are accepting all auditions via video submission. If you would like to audition for vocals, an instrument, or an instrument and vocals, you will need to submit separate videos for each.

*Along with musicality, we are looking for an inviting stage presence that encourages the church to worship.*

Please read through all requirements below before completing the audition.
