Host Families Needed for the Montana International Choral Festival

Every three years, the Montana International Choral Festival brings hundreds of outstanding singers from all over the world to Missoula. The next Festival will take place from July 19 - 22, 2023. Please consider opening your home to some of the visiting artists. It is

a wonderful opportunity to meet and engage with folks from different parts of the world and introduce them to the beauty of Missoula and Montana. Many host families develop lifelong relationships with singers!

We need at least 60 more families to host the pairs of adult singers and at least 25 more families to host the international youth singers.

If you can host an international singer, sign up through this website! <https://www.choralfestival.org/host-family-application/>

Video testimonials from previous hosts can be viewed [here](#):
