

Holy Spirit Vestry
Minutes for Special Meeting July 31, 2025

The Vestry approved additional sprinkler costs due to winter damage to the system on the east side of the property in the amount of \$870.

(The total invoice was \$8,350, which includes \$7,480 for the new sprinklers approved in April. In this special meeting we approved an extra \$870 to pay this invoice. We expect to have further sprinkler costs as emitters are installed for shrubs.)

Respectfully submitted,

Molly Bowler
Senior Warden
