

## Speaking Evil Against God's People

James 4:11-12 | Thomas Slager

*Leaders, just a reminder that this is the last week of small group questions from the church. The week after we invite all groups to the outdoor worship night celebration!*

### **YEAR IN REFLECTION QUESTIONS:**

1. As a group, let's think back over this past Small Group year. How has God worked in your life this year individually? How has God worked among us as a group?
2. How has your participation in our group helped you to grow in your faith? Have you been encouraged more to live missionally and challenged more to share your faith? How are we doing in this area?
3. Every group has ups and downs, praises and sorrow, joy and challenges. What part of our group affected you the most? Why?

### **James 4:11-12 Discussion:**

#### GROW IN FAITH

1. As we continue to study James' letter to the church, what stands out and what in James' letter challenges you?
2. What is particularly challenging to you about James' comments regarding your words?
3. All of us are writing the story of our lives each day we live. Share part of your story from this year.

#### LIVE IN COMMUNITY

4. What is a goal you can make this week to build others up vs discourage them with our words?
5. How would you say people think of you when they consider how you verbally interact throughout the day...a positive or negative contributor to conversations?

#### LIVE ON MISSION

6. How have you shared your faith this year? Share what happened!
7. Finish this sentence: The best way to share what God is doing in my life is....
