

What Jesus Accomplished for Us

1 Peter 3:18-22 | Bob Wade

Read 1 Peter 3:18-22

GROW IN FAITH

1. Pastor Bob challenged us to consider whether this passage calls believers to live by faith rather than be guided by their circumstances. How do life circumstances challenge what we believe? How can our circumstances warp how we see God?
2. Peter tells believers in verse 3:18-19 that Christ suffered once for sin. Why is this important? What are the results of Christ's suffering for believers?
3. Pastor Bob said that this passage explains the "great exchange". What is the "great exchange", and why is it important?

CONNECT IN COMMUNITY

4. Pastor Bob addressed the common belief that it's ok to be a Christian just so I can get into heaven. How would you challenge that idea?

LIVE ON MISSION

5. Hebrews 8:34 and Romans 7:25 tell us where Christ is now and what He is doing. These verses use the word "interceding". What does that mean? What does that mean for you?
6. In light of our current world conditions, uncertainty, and conflicts, how would you respond to 1Peter 3:22?
