

HIGHLANDS CHURCH

THREE SERVICE SUNDAY FAQ

Beginning Sunday, November 1st, Highlands will offer worship services at **8:00, 9:30 and 11:00am** each Sunday.

Why is Highlands adding a third Sunday service time?

We're focused on two great opportunities in adding an additional service time on Sunday mornings. First, an additional service time simply means more options - both in time and capacity - to reach people in our community with the gospel. Second, an additional service time will help relieve some attendance capacity strain we experience on our busier Sundays, both in the Worship Center as well as in the Highlands Kids building. God is growing Highlands, and we want to create space to best minister to every family He brings our way!

Will all three services be the same?

All three worship services will be identical programming with our full worship team and live preaching. We want to provide the same service experience no matter what time anyone chooses to attend.

What about Highlands Kids programming?

All three service times will have Highlands Kids programming available for kids from birth through 4th grade, both in the nursery and in the Highlands Kids building.

What about Special Needs programming?

All three service times will have programming for individuals of all ages with special needs. For kids with special needs, programming will be in the Highlands Kids building at all three services. Teens and adults with special needs will have programming with support at all three service times as well.

What about Students?

Students in H56 (5th & 6th grade) and Jr High (7th & 8th grade) will meet in the Student building during the 11:00am service. Senior High (9th-12th grade) will attend our main worship services, typically sitting together as a group during the 11:00am service time.

When are Highlands Classes?

Our Equipping Classes will be held during the 9:30am service time in the Student Building. Additional classes like Foundations, First Steps, Bible 101 and more will be scheduled at various times - see class registrations for details.

When will Discover Highlands be?

Discover Highlands will be held on the first Sunday of each month during the 11:00am service, with lunch included.

Will service times change for summer months?

No, we plan to maintain our three-service schedule throughout the entire year.

What hospitality items will be available?

Coffee and other beverages will be available before every service. Donuts will be available between services (after the 8:00am and 9:30am services). The Coffee Spot will be open before all services from 7:30am-11:00am. We'll also host Sunday Lunches on the patio approximately once per month during the nicer weather months.
