# FAMILY RESOURCE GUIDE

Part of our vision as a church is to help families grow in faith together. We believe God designed the family to be the primary place of discipleship for kids. While that can be an overwhelming prospect for parents, there are tons of great resources to help get you started having faith-filled conversations *today*.

Check out the resources below, and please reach out to us at info@highlandschurch.org with any questions or if you have a specific type of resource you're seeking. Our Family Ministry team would love to come alongside you!
