School Supplies

You can make a big difference this next school year for children living in New Hope Housing by donating critically needed school supplies today.

Financial and in-kind support is needed. Please bring supplies Sundays to the welcome table in front of church and the church office seven days a week.

New Hope provides permanent housing for people with very limited incomes; Palmer works with several of their locations on an ongoing basis and we plan to partner with them later this year to make Christmas bright in their communities.

For information on the school drive, please contact Joan Glover at glover@live.com.

Suggested items include: Pencil bags, Pencils, Pens, Markers, Crayons, Notebooks, Paper, Erasers, and Folders/Binders. Donations can also be made online: <https://newhopehousing.com/donate>

You may give any amount, and instructions are included on the form. For this specific donation, please include the following in the comments section: "Attention Morgan – School Supply Drive"

Large-print editions of the Book of Common Prayer are now available at the Welcome Table.
