

Hearts for the Homeless

For February we encourage you to donate shoes for Lord of the Streets (LOTS). They are an Episcopal Church in our area that serves the homeless. They are currently low on shoes to give out. This group of neighbors walk 4-6 miles a day, wearing out about 2 pairs of shoes a year. LOTS serves over 800 neighbors without housing. Please consider donating a pair of gently used men's athletic shoes or a new pair from Amazon. Use this QR code to order; you may have them shipped to Palmer c/o Deacon Mary or bring by new or gently used men's athletic shoes to Deacon Mary's office at the church. Most common needed sizes are 11-13.
