### How to dig deeper at home

Dear Parents,

It is our mission at East Leesville Baptist Church to partner with parents to make disciples.

Children's Church focuses on a new element each month. Each week they will study a different lesson building on this element. We would like you to have a copy of the weekly lessons to help your family dig deeper into each topic at home. We have papers available in the student building to help you through this process.

If you have any questions or concerns please contact Tiffany San Nicolas or Heather Frederick at any time.
