# BACK to School

week 3

In the country of Columbia there is a small town where instead of a school bus, the kids get to school by riding a zipline! If they didn't have the zipline it would take two hours for them to walk to school! They ride the zipline for about a half a mile! The little kids have to ride in a sack! Wow! So... how do they get home?

# The Three R's

## Rules, Responsibilities and Relationships

These 3 R's can apply to just about every situation we find ourselves, at home, school, church, sports, a friends house, even at the mall.

Rules, Responsibilities and Relationships are around us every where we go and so we thought it would be essential to talk about these things and see what God has to say about them too.

### Memory Verse

Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind;

and, 

'Love your neighbor as yourself.'

**Luke 10:27**

2

### Jesus Told Us...

Our scripture verse is about the two rules that Jesus said were the two most important rules that God gave us. Why? Because these two rules have everything to do with RELATIONSHIPS. When you care for the relationships God gave you, you become more like how God wants us to be!

3

**How can you care for the relationships in you life with:**

Your parents?

Your neighbor?

Your family/friends?

The people who works at the grocery store?

Your teachers?

Complete strangers?

# Take Them With You
