What is in the Bible?

What is in the Bible?

Jesus is always the example we look towards for how to live life. One of the first stories recorded about Jesus shows us that Jesus took time to learn and memorize Scripture. Because of that, Jesus was able to use the verses he had memorized to fight off temptation!

One of the ways we can be like Jesus and begin to store God's Word in our heart (**Psalms 119:11**) is by knowing what God has included in the Bible and where we can find it.

Did You Know?

You remember that really big guy named Goliath that David fought and defeated? Turns out Goliath had a brother named Lahmi. It's true! It's in the Bible! He is only mentioned in two verses (which pretty much say the same thing.)

2 Samuel 21:19

1 Chronicles 20:5

I have hidden Your Word
in my heart that I might
not sin against you.

**Psalms
119:11**

How Important Is It?

How important is the Bible really? We memorize verses out of the Bible every month. Why? Do we really need to do that? Well guess what? JESUS did it too! Read **Matthew 4:1-10**. Jesus used scripture when Satan was trying to get Him to do things against what God wanted Him to do. Write down your thoughts below!

**What did Jesus use to
refuse Satan's Demands?**

**What can we learn from
Jesus about knowing the Bible?**

**What did Satan do when he realized
Jesus wasn't going to listen to him?**

**Have you parent scan
this code to watch a
song on YouTube about
the books of the Bible!**
