What is in the BiBLE?

The Major Prophets were men who delivered God's messages to His people. Their books and their lives remind us that no matter what the situation we should always keep our eyes and our lives focused on God. They also remind us that even when things seem dark around us, God is always in control, we just have to be patient and wait for his perfect timing.

BiBLE Trivia

Even though most Nativity pictures show the Wise Men visiting Jesus as a baby in the manger, they didn't actually see Jesus until He was about 2 years old. That's about how long it took them to get there from the East.

Matthew 2

Aren't you guys a little early?

How in the world can we be patient with God and wait on Him? Sounds pretty difficult doesn't it? When we remember that God is one who keeps His promises it helps us wait on Him because we know He won't forget about us!

I have hidden Your Word in my heart that I might not sin against you.
