What is in the **BiBLE?**

If the Bible was a movie, the Gospels would be that pivotal scene where everything changes. It looks like everything is hopeless and the villain has won. But then the unexpected happens. The hero returns, stronger than before and good triumphs in the end! That is exactly what we see in the Gospels. Jesus' life changed the course of history and gave every single person a chance to escape the punishment that our sins deserve.

BiBLE Trivia

Luke was a doctor who was also a historian. His two history books? Luke and its sequel, Acts.

Not part of the Twelve Disciples. He actually worked with the Apostle Paul. His book was written to the Romans.

Is the only Gospel that tells us about the Wise Men who followed the star to Jesus.
