**DANGER
ZONE**

2

We are in week 2 of our **Danger Zone** series. The 'Danger Zone' is Sin—anything we do, say or think that is not of God. We learned that the **Danger Zone** can be in your heart, mind, eyes, and body. It's really important to guard these areas and make choices that you learn from God's teachings.

This week, we learned that sin didn't stop after Adam and Eve went into the **Danger Zone** and sinned. Sin became a pattern and their child even sinned against God. The story of Cain and Abel.

Did You Know?

Lifeguards can tell how well you swim by how you get into the pool. They have to be great swimmers. They have to be able to pay attention for hours. They have to know how to save lives. Next summer when you are swimming, thank the lifeguard. They keep you safe from danger!

GENESIS
4:1-16

God warned Cain that "Sin was crouching at your door." in verse 7. What sin do you think God is warning **you** to avoid? Talk about it below.

WHAT ABOUT THE DANGER ZONE?

The **Danger Zone** showed up for Cain when he saw God accept Abel's worship and not his own. Have you ever felt like someone else got the approval you wanted? Was it a brother? Sister? Friend? How did you react? Or how do you think you would react? Draw a comic strip about it.

Were you able to make **wise choices** this past week? If not, what can you do to make sure you make **wise choices** and stay out of the **Danger Zone**?

THAT'S AMAZING!

Why did God accept Abel's sacrifice and not Cain's? Maybe Cain didn't bring his first and best? We may never know the actual reason.

Why don't **WE** do sacrifices like they did? Because God made one for us. God gave us Jesus... His first and best. Jesus is God's Son. **WE** sinned and **GOD** paid the price.

This week, take the time to pray and thank Jesus for taking **OUR** punishment for **OUR** sins.
