Weekly devos

HEY PARENTS!

What does it look like when God is #1 in our lives and in our homes? Do we put Him before our stuff? Vacations? Money? Entertainment? What are we as parents modeling for our kids? As we continue through Exodus we can see how the Israelites easily lost focus on God. And we parents need to show our kids what it looks like to put God ahead of everything!

FAMILY CHALLENGE!

Read about when some of the Israelites decided to create a Golden Calf to worship. What?!? It's true!

MON. ☐ Exodus 32:1-6

TUES. ☐ Exodus 32:7-14

WED. ☐ Exodus 32:15-16

THURS. ☐ Exodus 32:17-20

FRI. ☐ Exodus 32:21-26

Be sure to read these verses this week!

KNOW RIGHT

Whenever we read about things in the Bible, we tend to forget that these things actually happened in real places! So ask your parents to help you find where Mount Sinai is! You may have to search under the name "Jabal Musa" which means "Mount Moses".

Have fun finding me!

THINK RIGHT

Figure out what this verse says by looking at the pictures. Why are we looking at this verse? What does it have to do with Israel making a golden calf? Talk about it with your parents!

JOHN 14:6

DID YOU KNOW?

God's been here before. He's really cool!

Mt. Sinai is where Moses received the Ten Commandments and the rest of the Law from God. Nearby that area is where Moses had encountered God in the Burning Bush (Exodus 3). Also nearby is where the Prophet Elijah encountered God's voice! (1 Kings 19). Mt. Sinai sounds like a special place!

DO RIGHT

Can you imagine going an entire day not talking to your parents? What about a week? Sometimes we do that with God. We should talk to Him every day!

Tell God something each day. Write down what you told Him!

FEEL RIGHT

When we focus on God, we can feel strong. Finish drawing the muscle arm to show how strong you can feel! Just remember... God is always super duper strong!
