HEY PARENTS!

During all of the good and difficult seasons of our lives, God is always with us! Just like when He was with a guy named Gideon. Israel was hiding from their enemies called the Midianites. But God called on Gideon to stand up to them, even though that would be pretty scary! But, just like God told Israel way back in Joshua 1:9 God told Gideon to be courageous. When we have God we can be brave even when things are tough!
