Inside!

Hey
there everyone! Way
back in the book of Genesis God
sent a flood because every single
person on earth had given themselves
to evil! Except for Noah. God had Noah
build a big boat so that he, his family,
and a bunch of animals would survive
the flood. And just like how God saved
Noah and his family, we can be
saved because Jesus died
for us!

Family Challenge!

Noah was the only person who loved and followed God. And While God was going to flood the whole earth, He still made a way for Noah and his family to be saved. Read all about Noah building his boat!
