## PRAYER UPDATES

**Al:** continues to receive IV antibiotics to treat the chronic infection that has depleted his strength. Please pray for healing and restored strength.

**Brian:** had neck/shoulder surgery on March 11th. He has had trouble sleeping due to severe pain. Please pray the pain will subside and his shoulder will heal completely, bringing relief from years of debilitating shoulder pain.

**Caroline:** had surgery on March 14th. The recovery process is anticipated to take up to six months to a year: two weeks in bed, a couple months in a boot, then challenging PT. Please pray Caroline would recover quickly and that the surgery will address her longstanding severe foot pain.

**Madison:** is back at work but still struggles to get through her day after her port changed. Please pray for strength to bear up and endure.

**Stacy:** is still experiencing severe back pain after her surgery. Some pain is to be expected as part of the recovery process (which takes up to three months), but her pain so far is not subsiding. Please pray that her pain would soon begin to subside.

**William (Romeo):** his wife, Nancy, has been diagnosed with stage-4 breast cancer. Please pray for healing, comfort, and the wisdom and resources to provide the best care for Nancy.

# ANNOUNCEMENTS

## CHILDCARE INSTRUCTION

The nursery is for children ages 4 and under and is located to the right of the entrance, by the women's restrooms and playground. We have a cry room and nursing room available to parents across the hall from the nursery where the service can be watched. Busy bags are available outside the nursery in the hallway for children attending the service to enjoy. You are welcome to bring children of all ages into our worship service, and we encourage you to worship as a family.

Please feel free to worship in the service with your little ones for as long as you feel comfortable before dropping them off in the nursery or sitting with them in the cry room. Our mission is for even the youngest among us to hear the gospel each week!

## MINISTRIES

### SUNDAY SCHOOL (9:30AM) -

In honor of its 100-year anniversary, we will be studying J. Gresham Machen's *Christianity and Liberalism*. Machen's role in the Presbyterian Controversy helps us get and keep the gospel clear, sharpens our discernment, and encourages us "to contend earnestly for the faith once for all delivered to the saints."

We have classes for children through 8th grade. High school students are encouraged to attend the adult Sunday school class.

### WEDNESDAY NIGHT MINISTRIES - (6:30PM)

Gospel Kids and Adult Bible Study will resume this week. We have adult bible study, Gospel Kids and catechism training on Wednesday nights. Join us for some mid-week fellowship and refreshment.

### EASTER BRUNCH – 9:30AM

Please mark your calendars for our annual Easter brunch on Sunday March 31st. Plan to arrive during the Sunday School hour and bring a covered breakfast dish, baked goods, fruit, or salad to share. Coffee and juice will be provided. This is always a joyous time and a great way to start the Easter celebration.

## SPECIAL OFFERING

The Special Offering in March will be for MTW Annual Compassion Offering. Mission to the World (MTW) is PCA's missions committee. The MTW Compassion offering enables our missionaries to respond quickly to global disasters. These disasters include war, COVID-19, hurricanes, earthquakes, or whatever else our missionaries may face in times of hardship. Your donations help provide food, shelter, and medical care in conjunction with the local church.

You are able to give online the rest of the month by selecting "Special Offering" from the drop-down menu in the "Give" section of the website.
